- This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors in their meeting held on 1st August, 2025 has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133, of the Companies Act, 2013 read with relevant rules issued thereunder, SEBI Circular CIR/CFD/FAC 62/2016 dated 5th July, 2016 (hereinafter referred to as SEBI Circular) and other accounting principles generally accepted in India. - We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*", issued by the "*Institute of Chartered Accountants of India*". This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion
- Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind AS) as specified under Section 133 of the Companies Act, 2013 as amended, read with the relevant rules issued there under and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation, including the manner in which it is to be disclosed, or that it contains any material misstatement subject to the following:

 - The Company suspended operations in September, 2015 to contain losses due to un-favourable market conditions and financial constraints. The incentives given to new cotton spinning units under the state textile policy created an uneven playing field making it difficult for the older units to compete in times of general lack of demand and a situation of oversupply in the market. The financial statements as at 30-09-2015 and afterwards have been therefore been prepared on non going concern basis.
 - The figures for the quarter ended 31-03-2025 is the balancing figures between audited figures in respect of the full financial year and the unaudited published year to date figures upto nine months of the respective years which were subject to limited review.
- The figures have been re-grouped and re-classified, wherever necessary to make them comparable.
